# Some More Important Stuff

## A few more important things that you need to know about how we create your Perfect Day

### Payment Plan

- A non-refundable initial payment equal to 25% of your total Estimated Event Value is required to secure the date. After that, the next 25% non-refundable payment is due half-way between the event date and the agreement date. Your final payment is due no less than 72 hours prior to the event.
- A 2.5% Credit Card Fee will apply to any card contract payments.
- ALL items subject to applicable taxes, which will be estimated in your agreement - remember – no surprises!
- A \$750 Damage Deposit is due within two weeks of signing, and will be refunded, less any damages of course, within two weeks after your wedding.

### Substitution, Additions, Deletions & Specialty Items

- There are, like a ton, of menu and bar items in your basic options from which to **choose from**, BUT there are even more items that can be added or substituted, from food and beverage, to additional amenities and event time. **See your “Savor” Packet for details.**
- **Specialty Meals.** Your agreement will designate the number of entrée choices that you have selected. **Special dietary needs can and do arise, and Vandiver will work with you to create a menu that meets the dietary needs for as many guests as possible.** For menus that require entree choices in addition to your contracted number of entree choices, a fee of \$20 per person per additional entree will apply. This may include such specialties as vegetarian, vegan and gluten-free entrees **if they can not be accommodated with your contracted number of entree selections.** Vandiver reserves the right to limit the number of specialty items.
- **Specialty Linens, Tables, Chairs and other Amenities.** Adding or replacing such things as chairs, linens, tables, tableware, barware, furniture, etc. must be approved and coordinated through your Event Manager and charges may apply for such things as additional management, labor and/or storage.
- **Deletions.** Our basic package includes many things, some of which you may not want. We can always try to replace that item for something else. For example, you may want to have your ceremony elsewhere. No problem, maybe we can add a champagne toast or an appetizer or something else you might like. Just as long as the minimum charge per person meets the per person pricing herein, we're good.
